

Great Service & Local Deliveries
In-House Valve Automation

Knowledgeable Sales Team
Factory Support & Training Available

Valves

Specialty Products

ABZ Butterfly Valves-
Wafer, Lug, High Performance
Quadrant Ball Valves
PBV- Custom Ball Valve
DSI- Gate Globe & Check Valves

Steam Traps, Condensate Recovery Equipment, Pressure & Temperature Controls, Heating & Cooling Coils, Mixing Valves, Radiator Products, Strainers, Air Vents, Liquid Drainers

Ball Valves: Soft and Metal seated. Carbon & Stainless Steel, Threaded (1,2, and 3 Piece), Flanged, Multiport, & Specialty designs.

Freeze & Scald Protection, Temperature Control, Tempering/Mixing, Hosedown Stations

Full line of Apollo Valves including but not limited to Ball, Gate, Globe and Check Valves. Now stocking Apollo Xpress Copper Press-Fit Fittings Conbraco Backflow Preventers & Relief Valves

Pressure: Gauges: Process, Industrial, Commercial
Temperature: Thermometers, Industrial, Dial, Bi-Metal, Solar
Control: Temperature & Pressure Regulators, Controllers, Control Valves

Vogt - gate, globe, checks, & specialty valves
Gestra - steam traps & supporting units, non-return, blowdown, and control valves

Cam and Groove, Air Fittings, Filter/Regulators, Brass Fittings, Clamps, Fire Hose & Fittings & complete line offering including Sanitary

Flanged & Threaded Ball Valves, Brass and Bronze Gate, Globe, & Check Valves, Flexible Connectors Thermoplastic Valves (PVC, CPVC, PPL)

Check valves. Y-, basket & duplex strainers, fabricated products, & other pipeline products

Leslie Controls- control valves, regulators, steam water heaters
RTK- Linear control valves
Spence- Pressure & Temperature regulators, safety & relief valves

Grooved End & Plain End Couplings, Fittings, Valves, & Branch outlets, for Carbon, Copper, & Stainless Piping Systems

GTS Technical Sales

122 Middleboro Road,
Wilmington, DE 19804

Vendor Managed Inventory (VMI)

- *GTS will automatically replenish your inventory requirements on a scheduled basis.
- *VMI+ can provide monthly billing statements to reduce paperwork

Control Valves /Automation

- *In house Valve Automation, Assembly & Testing
- *Quick turnaround of actuated valve assemblies
 - *Linear & Rotary Control Valves

Valves

- *Ball *Gate *Globe *Check
- *Butterfly *Plug *Sanitary

Supporting Products

- *Pipe Hangers *Pipe dope *Teflon tape
- *Flange packs *Lennox Tools *Aero Kroil
- *Gaskets *Studs & Cap Screws *Strainers

Steam Specialties

- *Traps *Regulators
- *Surveys *Condensate Pumps
- *Heat exchangers (Plate & Frame, Shell & Tube)
- *Coil Replacement *Steam-Water Heaters

Gauges & Instrumentation

- *In house gauge Calibration & Certification
- *Temperature Instrumentation & regulators
 - *Freeze & scald protection valves

Alloys

- *Hastelloy C *Alloy 20 *Monel
- *Inconel *316/304 Stainless Steel *F11, F22

Pipe & Fittings

- *Domestic Material *Carbon Steel/ A105, A53
- *CPVC/ PVC *Copper X-Press
- *Malleable Iron, Galvanized
- *Tube compression fittings

Counter Sales & Will Calls

GTS focuses on providing timely pickups for Will Call & Counter orders
